The diagram illustrates the relationship between three source files in the tesseract_task_composer project. At the top is a header file, 'done_task.h', located in the 'include/tesseract_task_composer/nodes' directory. Below it are two source files. The file 'done_task.cpp' in the 'src/nodes' directory has a blue arrow pointing to the header file. The file 'task_composer_task_plugin_factory.cpp' in the 'src/task_composer_task' directory also has a blue arrow pointing to the same header file.
