The diagram illustrates the relationship between three files in the Tesseract project. At the top is a header file, 'tesseract\_process\_managers/include/tesseract\_process\_managers/task\_generators/has\_seed\_task\_generator.h', which is shaded gray. Below it are two source files. The file on the left, 'tesseract\_process\_managers/src/core/default\_process\_planners.cpp', has a blue arrow pointing to the header file. The file on the right, 'tesseract\_process\_managers/src/task\_generators/has\_seed\_task\_generator.cpp', also has a blue arrow pointing to the same header file.
