_generator.h"]; B["tesseract_process_managers  
/src/task_generators/discrete  
_contact_check_task_generator.cpp"] --> C;
```

The diagram illustrates the relationship between three files in the tesseract library. At the top is a header file, 'tesseract_process_managers/include/tesseract_process_managers/task_generators/discrete_contact_check_task_generator.h', which is shaded gray. Below it are two source files. The file on the left, 'tesseract_process_managers/src/core/default_process_planners.cpp', has a blue arrow pointing up to the header file. The file on the right, 'tesseract_process_managers/src/task_generators/discrete_contact_check_task_generator.cpp', also has a blue arrow pointing up to the same header file.

tesseract_process_managers
/src/core/default_process
_planners.cpp

tesseract_process_managers
/src/task_generators/discrete
_contact_check_task_generator.cpp
