The diagram illustrates the relationship between three files in the tesseract_task_composer directory. At the top is a header file (tesseract_task_composer/include/tesseract_task_composer/nodes/descartes_motion_pipeline_task.h) shown in a grey box. Below it are two source files: tesseract_task_composer/src/nodes/descartes_motion_pipeline_task.cpp (left, white box) and tesseract_task_composer/src/task_composer_utils.cpp (right, white box). Blue arrows point from each source file to the header file, indicating that both source files include this header.
