The diagram illustrates the dependencies of the header file `tesseract_time_parameterization/include/tesseract_time_parameterization/trajectory_container.h`. It is represented by a grey rectangular box at the top. Three blue arrows originate from the bottom of this box and point to three separate white rectangular boxes below it. The leftmost box contains `tesseract_common/macros.h`, the middle box contains `Eigen/Eigen`, and the rightmost box contains `memory`.
