The diagram illustrates the dependencies of the header file `tesseract_time_parameterization/include/tesseract_time_parameterization/trajectory_container.h`. It is represented by a grey rectangular box at the top. Three blue arrows originate from the bottom of this box and point to three separate white rectangular boxes below it. The left arrow points to `tesseract_common/macros.h`, the middle arrow points to `Eigen/Eigen`, and the right arrow points to `memory`.
